**CRDV 1090 – Majors, Internships, and Jobs – (1 credit)**

This course is not a requirement for this major! It is an option for students who are interested in career development.

Through this course students develop the necessary tools, skills, and resources to become career ready, learning what it takes to be an excellent candidate in today’s competitive job market. While taking CRDV 1090 students will create and refine professional documents, explore careers, conduct job/internship searches, develop networking and interviewing skills, and learn to utilize professional social media in order to network more effectively. Students will learn about the job/internship search process and know how to actively use this information in the real world. Students will have the unique opportunity to take personality and strength assessments in order to learn about their talents, interests, and preferred work environments. Students participate in a Mock Interview event with professionals from New Orleans.

**Pre-med and Pre-law students should also consult the health professions advisors or the pre-law.**
