- The Degree Plan and other information provided in this booklet serve only as advising tools. Newcomb-Tulane College advisors will help advise you on the core-curriculum, decide on a major, and consult on any academic success issues.
- Your major advisors will advise you on major requirements.
- Students with multiple majors will have more than one advisor and will need to consult with the appropriate advisor.
- Minors are not assigned an advisor, but a faculty member in the department is designated to advise minors.
- Become familiar with your major! By declaring early, you have access to a major advisor, are able to enroll in "majors only" classes, and are included in list serves that allow you to receive information about events, internships, and other opportunities.
- Pre-med and Pre-law students should also consult with one of the Pre-Professional advisors.

What Can I Do with a Major in... Philosophy

Philosophy is considered a branch of the language arts which involves the study of truths or principles underlying all knowledge. For some 2,500 years, it has inspired us to examine, question, and understand our beliefs and values. Students of philosophy explore cultural ideals, learn to think analytically and critically, deepen their knowledge of ethics, and become familiar with some of the most important figures in the history of thought. Philosophy provides excellent preparation for most professional fields; but more importantly it provides an education for life.
